7) It is reported that there are four radio sets two relay loud speakers in myp mtce maintained by the Mtce the radio sentries are working after them at present each mtce paid an allce of Rs 5/- pm for running of sets.

I the present proposal is to

create the post of Radio Station exclusively for attending to this work as a supervising officer

If this is sanctioned, it is proposed to post one R. Ramaswamy a Grade I of the Engineering Section who is said to have shown considerable interest in this work and recommendation is made that the Head should be exempted from the operation of the C.R. Rules.

The following points are submitted for consideration in this connection—

1) whether there is any necessity at all to create this post at present which involves additional expenditure

2) Even if created, whether it should be exempted from the operation of C.R. Rules given to the person now nominated by the President

As regards the first point, it is seen that the present arrangement is working satisfactorily. If it is proposed that a change is called for this may be stated. It would be in the interests of the radio, that each station is in charge of the Radio Inspectors who would make the present arrangement take interest in the work and be benefitted by it

referred

20) It is not known why the usual formalities should not be observed while filling up this vacancy. It is not known whether this vacancy is a direct recruitment, a general, or a special one, nor is it known whether R Ramaswamy is over-aged. If yes, he is to be exempted from the age limit. Further it is not known if the post of Maistry that he holds is included in the regular establishment. The appointment of R Ramaswamy an unqualified and presumably a Brahmin candidate in a special vacancy would be irregular. May I, therefore, humbly suggest that information on the points mentioned above be called for before the issue of orders of Government.

Sir,

I have the honour to state that there is an urgent need for appointing a Radio operator, for looking after the radios and loudspeakers, installed in the Town Hall and other public parks in the city, and for attending to minor repairs In their meeting held on 28th October 44, the Municipal Council considered this question and sanctioned the creation of a post of a radio operator in grade Rs.25-1-40, and the appointment of one R -Ramaswami, a maistry who is undergoing training in the Akashvani for the same purpose.

In forwarding herewith a copy of the Council Resolution No 294, dated 28th October 1944, I request you to be so good as to obtain sanction of Government thereto, at an early date.

The expenditure on this account, will be met out of the closing balance, of this year, due provision being made, in the budget in future.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

With reference to your letter No L 5759 dated 11th December 1944, calling for further particulars, regarding the appointment of one R Ramaswami, as Radio Operator, I have the honour to state as follows -

1. There are four radio booths and two sets of loud speakers in the city

2. An expenditure of Rs 20/- is incurred every month for payment of allowances, at Rs 5/- each

3 The respective radio operators are looking after them

4 R Ramaswamy is a permanent maistry in the Engineering Section and his present pay is Rs 20/- p m

5 This official can attend to repairs also, as he has got a fair knowledge in repair works and is attending to repair works at Akashvani

6 The said official has been given training sufficiently and has been attending to all the repair works of the Municipal radios since a long time without any remuneration Hence, I request that necessary sanction may kindly be accorded to appoint him in this vacancy and exempt him from the operation of the Public Service Commission Rules
